COVERAGE J - BUSINESS INTERRUPTION COVERAGE - ACTUAL LOSS OR RENTAL VALUE

To pay the **Insured's Actual Loss** or loss of **Rental Value**, and **Extra Expense** to the extent it reduces **Actual Loss** or loss of **Rental Value** otherwise payable under this coverage section, resulting from the necessary interruption of the **Insured's** business operations during the **Period of Restoration**. Such necessary interruption must be caused principally and directly by **Pollution Conditions** on or under the **Insured Property**. If the necessary interruption of the **Insured's** business operations is caused by such **Pollution Conditions** and any other cause, the Company shall pay only for that part of **Actual Loss** or **Rental Value** and **Extra Expense** resulting from such necessary interruption caused solely and directly by such **Pollution Conditions**.

Such **Pollution Conditions** must:

1. (a) commence prior to the **Continuity Date**, if the **Named Insured** has purchased Coverage A, under this Policy, or

- (b) commence on or after the **Continuity Date**, if the **Named Insured** has purchased Coverage B under this Policy; and
- 2. be first discovered by the **Insured** during the **Policy Period**; and
- 3. be reported to the Company, no later than thirty (30) days after discovery.

In determining **Actual Loss** or loss of **Rental Value**, the Report/Worksheet annexed to this Policy and made a part of it shall be utilized.

COVERAGE K - CLEAN-UP COST CAP - KNOWN AND UNKNOWN POLLUTANTS

To pay on behalf of the **Insured** for **Loss** which the **Insured** sustains for **Clean-Up Costs** on or after the **Inception Date** and for any **Clean-Up** which commences before the **Termination Date**:

- (a) At an **Insured Property** pursuant to the **Consent Order** or any revision of the **Consent Order** approved by any regulatory authority; or
- (b) At areas beyond the boundaries of the **Consent Order** if such **Clean-Up Costs** are incurred in the **Clean-Up of Pollutants** which were discovered through and originated from the performance of the **Consent Order** or any revision of the **Remedial Action Plan** approved by any regulatory authority.

This coverage applies only if the following conditions are satisfied:

- 1. The **Pollutants** are addressed in the **Consent Order** or originated from an **Insured Property**; and
- 2. The **Named Insured** reports the **Clean-Up Costs** to the Company prior to the **Termination Date**, in accordance with Section II.A. of the Policy; and
- 3. The **Named Insured** provides and contractually requires IT Corporation and its successors (if any) to provide the Company with progress reports, including work completed and costs incurred to date on at least a calendar quarter basis on the progress of the **Consent Order** and the **Clean-Up Costs** incurred under this Coverage K, however, the failure of the **Named Insured** to make the required reports shall only reduce the **Loss** payable by the Company to the extent that the delay or failure to report has increased the amount of **Loss**; and
- 4. Where **Clean-Up Costs** are reviewed by KDHE, such costs are "Qualified Expenses" as defined in the **Consent Order**.

2. LEGAL EXPENSE AND DEFENSE

The Company shall have the right and the duty to defend any **Claims** covered under Coverages A through I provided the **Named Insured** has purchased such Coverage. The Company's duty to defend or continue defending any such **Claim**, and to pay any **Loss**, shall cease once the applicable limit of liability, as described in Section V. (Limits of Coverage; Deductible) has been exhausted. Defense costs, charges and expenses are included in **Loss** and reduce the applicable limit of liability, as described in Section V., and are included within the Deductible amount for the Coverage Section which applies and is shown in Item 3 of the Declarations.

The **Insured** is entitled to select independent counsel to defend the **Insured** at the Company's expense. The attorney fees and all other litigation expenses the Company must pay to that counsel are limited to the rates the Company would actually pay to counsel that the Company retains in the ordinary course of business in the defense of similar **Claims** in the community where the **Claim** arose or is being defended.

Additionally, the Company may exercise the right to require that such counsel have certain minimum qualifications with respect to their competency, including experience in defending **Claims** similar to the one pending

against the **Insured**, and to require such counsel to have errors and omissions insurance coverage. As respects any such counsel, the **Insured** agrees that counsel will timely respond to the Company's request for information regarding the **Claim**. The **Insured** may at any time, by its signed consent, freely and fully waive its right to select independent counsel.

For Coverages C, D, E, F, G, H and I; if the **Insured** refuses to consent to any settlement within the limits of liability of this Policy recommended by the Company and acceptable to the claimant, the Company's duty to defend shall then cease and the **Insured** shall thereafter negotiate or defend such **Claim** independently of the Company, and the Company's liability shall not exceed the amount, less the **Deductible** or any outstanding deductible balance, for which the **Claim** could have been settled if such recommendation was consented to. If more than one **Insured** is named in a third-party **Claim**, the settlement (or refusal to accept a settlement offer as set forth above) shall not affect the rights of other **Insureds** under this Policy, unless and only to the extent that they have consented in writing to the other **Insured's** settlement or refusal to settle.

II. NOTICE REQUIREMENTS AND CLAIM PROVISIONS

It is a condition precedent to any rights afforded under this Policy that the **Insured** provide the Company with notice of **Pollution Conditions**, **Claims** and the discovery of **Pollutants** as follows:

A. NOTICE OF POLLUTION CONDITIONS, CLAIMS AND POLLUTANTS

1. In the event of **Pollution Conditions** under Coverages A through J, a **Claim** under Coverages A through I, or the discovery of **Pollutants** at or beyond the boundaries of an **Insured Property** under Coverages K ~~or L~~, the **Insured** shall give written notice to:

Steven Lessick
Attorney at Law
American Int'l. Surplus Lines Agency, Inc.
Harborside Financial Center
401 Plaza 3
Jersey City, NJ 07311

or other address(es) as substituted by the Company in writing.

2. The **Insured** shall give notice of **Pollution Conditions** or the discovery of **Pollutants** as soon as practicable and such notice shall include to the extent that such information is reasonably known to the **Insured**, information sufficient to identify the **Named Insured**, the **Insured Property**, the names of persons with knowledge of the **Pollution Conditions** and all known and reasonably obtainable information regarding the time, place, cause, nature of and other circumstances of the **Pollution Conditions**. Written notice shall be made on a notice of loss form supplied by the Company.
3. The **Insured** shall give notice of **Claims** as soon as practicable, but in any event during the **Policy Period** or **Extended Reporting Period**, if applicable. The **Insured** shall furnish information at the request of the Company. When a **Claim** has been made, the **Insured** shall forward the following to the Company as soon as practicable:
 - a. All reasonably known information with respect to the time, place and circumstances thereof, and the names and addresses of the claimant(s) and available witnesses.
 - b. All demands, summonses, notices or other process or papers filed with a court of law, administrative agency or an investigative body;

- c. Other information in the possession of the **Insured** or its hired experts which the Company reasonably deems necessary.
4. If a **Claim** is presented to the **Insured**, and the **Insured** fails to notify the Company, any other **Insured** can report the **Claim** during the **Policy Period** or the **Extended Reporting Period** and the policy will respond as if the **Claim** were reported by the **Insured**. Furthermore, the failure of the **Named Insured** to report **Clean-up Costs** in accordance with the Policy provisions shall not preclude any other **Insured** from reporting such **Clean-Up Costs** to the Company at any time

B. NOTICE OF POSSIBLE CLAIM

1. If during the **Policy Period**, the **Insured** first becomes aware of **Pollution Conditions** which it reasonably expects may result in a **Claim** under one or more of Coverages C through I which the **Named Insured** has purchased, the **Insured** may provide written notice to the Company during the **Policy Period** containing all the information required under paragraph 2) below. Any **Claim** subsequently made against the **Insured** and reported to the Company within ten (10) years after the end of the **Policy Period** of this policy or any continuous, uninterrupted renewal thereof, shall be deemed to have been first made and reported during the **Policy Period** of this policy. Such **Claim** shall be subject to the terms, conditions and limits of coverage of this policy.
2. It is a condition precedent to the coverage afforded by this Clause that written notice of **Pollution Conditions** or a **Claim** under paragraph 1) above contain all of the following information: (a) the cause of the **Pollution Conditions**; (b) the **Insured Property** upon which the **Pollution Conditions** took place or from which the **Pollution Conditions** emanated; (c) the **Bodily Injury, Property Damage** or **Clean-Up Costs** which has resulted or may result from such **Pollution Conditions**; (d) the **Insured(s)** which may be subject to the **Claim** and any potential claimant(s); (e) all engineering information available on the **Pollution Conditions** and any other information that the Company deems reasonably necessary; and (f) the circumstances by which and the date the **Insured** first became aware of the potential **Claim**.

III. RIGHTS OF THE COMPANY AND DUTIES OF THE INSURED IN THE EVENT OF POLLUTION CONDITIONS AND IN CONNECTION WITH REMEDIAL ACTIVITIES

Neither the Company's rights nor its exercise of the rights under this paragraph shall constitute an undertaking to determine or warrant that the **Clean-Up** is safe, healthful, or in conformity with applicable law.
2. The **Insured** shall: (a) take all reasonable and prudent steps to minimize the **Clean-Up Costs**; (b) limit access to the **Insured Property** and prevent the spread of further contamination; (c) retain competent professional(s) or contractor (s) acceptable to the Company and; the **Insured** to undertake and complete **Clean-Up** and the Company's approval will not be unreasonably withheld; (d) keep detailed records of all **Clean-Up Costs**; and (e) to the extent of the **Insured's** legal right of access, permit the Company to inspect the **Insured Property**, as often as the Company chooses, after providing reasonable notice, and inspect all financial records, drawings, plans and specifications involved in the **Loss**.

V. LIMITS OF COVERAGE; DEDUCTIBLE

Regardless of the number of **Claims**, claimants, **Pollution Conditions**, **Insureds** or **Insured Property** under this Policy, the following limits of liability apply:

A. Policy Aggregate Limit

The Company's total liability for all **Clean-Up Costs** and **Loss**, under Coverages A through I and Coverage K, and all **Actual Loss**, loss of **Rental Value** and **Extra Expense** under Coverage J, shall not exceed the "Policy Aggregate" stated in Item 4 of the Declarations.

B. Each Incident Limit - Coverages A Through I

- (1) Subject to Paragraph V.A. above, the most the Company will pay for all **Loss** under each Coverage in Coverages A through I arising from the same, related or continuous **Pollution Conditions** is the "Each Incident" limit of coverage for that particular coverage stated in Item 3 of the Declarations.
- (2) If the **Insured** first discovers **Pollution Conditions** during the **Policy Period** and reports them to the Company in accordance with Section II., all continuous or related **Pollution Conditions** first discovered by the **Named Insured** and reported to the Company under a subsequent Pollution Legal Liability Policy issued by the Company or its affiliate providing substantially the same coverage as this Policy shall be deemed to have been first discovered and reported during the **Policy Period**.
- (3) If a **Claim** for **Bodily Injury, Property Damage**, or **Clean-Up Costs** is first made against the **Insured** and reported to the Company during the **Policy Period**, all **Claims** for **Bodily Injury, Property Damage** or **Clean-Up Costs**, arising from the same, continuous or related **Pollution Conditions** which are first made against the **Insured** and reported under a subsequent Pollution Legal Liability Policy issued by the Company or its affiliate providing substantially the same coverage as this Policy, shall be deemed to have been first made and reported during this **Policy Period**. Coverage under this Policy for such **Claims** shall not apply, however, unless at the time such **Claims** are first made and reported, the **Insured** has maintained with the Company or its affiliate Pollution Legal Liability coverage substantially the same as this coverage on a continuous, uninterrupted basis since the first such **Claim** was made against the **Insured** and reported to the Company.

C. Coverage Section Aggregate Limit

Subject to Paragraph V.A. above, the Company's total liability for all **Clean-Up Costs** under Coverages A and B, and for all **Loss** under each Coverage in Coverages A through I, shall not exceed the "Coverage Section Aggregate" limit of coverage for that particular coverage stated in Item 3 of the Declarations.

D. Maximum for Clean-Up Cost Cap
